Good Afternoon Jade,

I believe you just finished Captiva Fire's Can Am. We are purchasing another Can Am also. Here are pics of our current Can Am. The graphics will be identical but Rescue 172 instead of 171. The red color is wrapped. The letters are cut vinyl and white is reflective. The red SANIBEL FIRE on windshield is reflective. The logo is printed. We have not taken delivery, but can you give me a quote for graphics?

Let me know if you need more pics or have questions.

Thank you,

Chris Jackson
